

Electives
And Sub-Internships

Electives

- 4-week clinical rotations allowing students to add personalization as well as breadth and depth to their curriculum - ***Many different elective choices!***
- **SIX Electives** are required
 - Up to (and no more than) TWO Pre-Clerkship Electives may count
 - At least TWO electives must be “on campus” (i.e. in catalog)
 - Pre-clerkship electives are “on campus”

Sub-Internships

- 4-week clinical rotations with direct patient care at an intern level demonstrating independent thinking and clinical decision making
- TWO Sub-**Internships** are required
- Must be completed “on campus” – i.e., in our catalog
- High level of responsibility, absences should be minimized

Electives *and Sub-Internships*

- Flexible options within framework of graduation requirements
- Consider personal and professional interests and goals
- You may consider courses that will
 - Help you explore or confirm a specialty of interest
 - Fulfill a personal interest
 - Be useful in preparation for internship
 - Be useful in preparation for specialty-based courses (e.g. pre-reqs)
 - Achieve other professional goals, e.g., Research

Choosing Electives *and Sub-Internships*

- Consider doing EM Clerkship in M3
- Electives will be added to your schedule at a later date via survey
- Pay attention to pre-requisites (found in course catalog)
- Can take Sub-Internship in last quarter
 - Blocks 8 (Feb 2), 9 (Mar 2), 10 (Mar 30)
 - Must have pre-requisites
- Can take “Ambulatory” elective
 - Must have approval from Course Director
